

Experienced ICD-9 Coders for 2008 / 2009 HCC - MRA Projects

THE CODING SOURCE, LLC

is a nationally recognized, quality provider of
EDUCATIONAL, TEMPORARY, OUTSOURCED and AUDIT CODING SERVICES

We have established a reputation as an excellent employer and as an organization that conducts business with integrity and in accordance with the highest ethical standards

PRIMARY LOCATIONS:

- **Connecticut**
- **California**
- **Washington**
- **Oregon**

TRAINING:

We are offering an excellent 5 week training program which consists of a specialized 2 week orientation conducted in our spacious and comfortable West Los Angeles offices. You will also receive continued 3 weeks of training in the field.

Our instructors are our own Coding Management employees who are highly qualified and experienced...you will not find better training anywhere!

While attending the orientation, we arrange your travel, rental car, hotel accommodations, pay per diem and your full hourly pay rate. You will also earn CEU credits upon successful completion of our program.

SUMMARY of other BENEFITS:

- **Competitive Hourly Pay Rates**
- **On-going Projects**
- **Travel Time Pay**
- **Pre-Paid Travel to Assignments in Various U.S. Metropolitan Cities**
- **Trips Back to your Home Base While Traveling**
- **Excellent On-going Support Team**
- **Bonus Payment for Referring a Coder to Us (only employees are eligible)**

To qualify we require:

- One of the following AAPC or AHIMA Certifications; CPC, CPC-H, CCS, CCS-P, RHIT or RHIA
- Minimum 2 yrs. professional coding and medical chart review experience
- The ability to abstract diagnosis / ICD-9 codes from provider documentation and enter into database
- Laptop computer skills and the ability to work independently
